

“Creative Smart Phone Editing”

By Hazel Meredith, APSA, HonNEC, Meredith Images

My favorite creative phone editing apps!

- Apple/And  **Snapseed (FREE)**
- Apple  **Distressed FX+** - the Plus version is \$11.99 but you get all current & future texture, overlay and bird packs for free (the basic version is \$1.99. Additional packs are \$.99 each). If you use this as much as I do, the plus pricing is a great deal in the long run.
- Apple  **Image Blender (\$3.99)**
- Apple/And  **Retouch (TouchRetouch) (\$1.99)**
- Apple  **Mextures (\$1.99)**
- Apple/And   **Pixlr-o-matic (FREE or \$11.99/Year for Premium)**
Also available for Desktop
- Apple  **Sketch Master (FREE)**
- All Apple
Most And  **JixiPix Software** – available for iPhone - some available for Android. Also have Apps for computers (Mac/PC). Prices vary – most phone apps are \$1.99 (a few are \$2.99). I have 14 of their apps on my phone – this is the Vintage Scene icon. Other favorites are Grungetastic, Dramatic (B&W) and Impresso.
- Apple/And  **Deep Art Effects: Foto Filter (\$3.99)**
One-click effects to create your own artwork.
